On February 20, 2015, we talked with you about THOMPSON's eligibility for Supplemental Security Income (SSI). Based on that talk, we have made an informal decision that she is not eligible for SSI. This informal decision is only about your eligibility for SSI. This decision is not about eligibility for Social Security benefits or Medicare.

Why She Is Not Eligible

We believe she is not eligible for SSI for the reason shown below:

- You told us you do not want to file a claim for SSI.
- YOU HAVE NOT YET FILED AN APPLICATION

Why You May Want To File A Claim

You may want to file a claim for SSI if:

- You want a formal decision about her eligibility, or
- You disagree with our decision, or
- You want to give us more facts about her case.

If you decide to file, you should do so right away. The sooner you file, the sooner we will make a formal decision about her eligibility. If we decide she is eligible, she could lose benefits if you file after May 5, 2015.
